Our deepest, heartfelt sympathy go out to the Hannibal & Billingsley families. We remember her smile everytime and everywhere you saw her, even when she wasn't having a good day—you never knew it. She was always so helpful, courteous and kind when you saw her places and at Boone County Bank. She would always ask—"How's your mom, daughter and your grandchildren". May God continue to watch over you all and bless you in your time of need—especially when things slow down and everyone else goes home and back to their normal routines..
