I am truly going to miss Elaine. She was such an inspiration and a positive person in my life. It always made my heart glad to see her. One memory I have that will last a lifetime is when I noticed that she came to my high school graduation. I was kind of sad because none of my siblings showed up and I was the last of fifteen children! I came out in the hall and ther she was! I was so very happy and proud. She was like a mother to me and I will miss her so very much! Elaine is resting in glory! We will see her again!Nichole

Elaine and I were best of friends for 57 years! Although I moved to a different state 42 years ago, we never ended our friendship. A friendship such as ours will continue to live on within my memory. My love and prayers go forth to you, the children and family.
