Tesney! Girl, you are so sweet that you took the time to save and then check on this sweet puppy, even if you got no thanks from the owner. It amzeas me how people can be so cold to others, especially in this kind of situation. But, I am so glad that this little puppy is okay and I hope his owner does everything she can to keep him safe!

Dear Family,I am so sorry that I cannot be there with you physically to celebrate the homegoing of your beloved Mother and my beloved Aunt Ruth. Please know that my heart, soul and spirit is with you today, tomorrow and always. As children we were always more like Brothers and Sisters than we were first cousins and that was because of the love that given to us by our mothers. Please do as I ahve done with the loss of my mother, think about all the great times with her and continue to be united as a family and most all in God.
