To the family of Florence Warrick, I am so very sorry for your loss. Just from reading Florence's obituary, she was very much loved by her friends and family. Getting sick, growing old, and dying are the reality for you and I and all the world of mankind right now. But the bible holds out a promise for you and your family. At John 6:40 it tells us this, "For this is the will of my Father, that everyone that beholds the Son and exercises faith in him should have everlasting life, and I will resurrect him at the last day." Jesus Christ is speaking here, saying that if you exercise faith in his heavenly Father Jehovah, you will receive everlasting life. Also, Florence will be resurrected from her sleep and live again here on earth. What a wonderful promise from our heavenly Father Jehovah God! May Jehovah continue to strenghten you and your family.
