Terry is, was and will always be my cousin. His father and mine, Dover, were brothers. I am sorry for his passing and that I didn't get to spend more time with him. I always remember him as a tall, jovial person. Yes, like all the Gwinup's, he enjoyed his drink. I know Heavenly Father welcomed him with open arms and he is now truly at peace. I knew Terry many years in St. Louis. I worked at a bar/restaurant in Layfette Square and he frequented it often. He was the most obnoxious person at times, but I always knew I could count on him to have my back and we were very close friends. Many others were touched by him as well. In traveling to St. Louis several years ago I stopped to see him in Columbia. It was like we had been around each other like old times. That was just the kind of guy he was. I am sorry for your loss and I am saddened for not having kept in touch with him for several years. May he rest in peace and Terry, I loved and cared about you!!!!Farewell my friend!

To Terrence Gwinup's family. I am very sorry for the loss of your loved one. Have you ever wondered is this all there is to life for you and your loved one, to be born, get sick, grow old, and die? This is not Jehovah's purpose for mankind. His purpose for you, for mankind in general is to live forever here on the earth, in perfect health, young, vibrant, having true peace and security, and you will be able to see Mr. Gwinup again in that resurrection. He has that hope. Jehovah is a happy God, and he wants you to be happy as well. He created the earth for mankind to live on, that is the reason Jesus Christ died for mankind so that you and I could live forever here on the earth. By means of his Son, Christ Jesus he will make that possible. Just think, we will never have to die. I know that living forever does not sound like reality for you, Jehovah God says it will happen and it will. I do hope that these words are comforting to know.
