To the family of Mr. Howard Brown Jr. I am sorry for your loss. Have you ever thought is this all there is to life, is to get sick, grow old and die? It is not Jehovah God's purpose for mankind. He wants us to be llive forever here on the earth, without sickness, growing old and dying. He wants us to be happy, because he is a happy God at I Timothy 1:11 it says this, "according to the glorious good news of the happy God, with which I was entrusted." Jehovah is happy and he wants us to be happy. At Revelation 21:4 it tells us this "And he [Jehovah} will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." Pain, sorrow, outcry, tears, and death will be a thing of the past. Doesn't that sound wonderful? No more suffering, all will be brought to and end. Jehovah will bring permanant solutions to mankind's problems by means of his Kingdom. I do hope that these words of comfort helped you. May Jehovah God continue to bless and strenghten you.
