God needs a special angel and he called "Liz" home to be in his arms and to be with her family already there waiting for her. I grew up with Liz and I have many fun memories of her, She would always have you laughing and enjoying yourself whenever she was around. I will miss you Liz and you will not be forgotten. My condolences to the family and may God bless you all.

I am so sorry for the loss of Liz . She was one of a kind. I worked with her for 7 and a half years and she knew my family. I also worked with her son. My thoughts and prayers are with her wonderful family in their time of grief. Liz will always have a special place in my heart and I am blessed to have met her and know her not only as a person but always as a friend. She will be forever loved and missed by me. I love you Liz forever. May you fly with the angels in heaven for now you are free. God bless all of you and know that Liz is where she wanted to be now. In the arms of our father in heaven forever. I will never forget the love that she had for me and so many others. Thank you Liz. I will forever hold you in my heart and know that you are above watching over me and taken care of me now.
