I am so pleased I was able to see and hug him this past summer during the "Harris Family Reunion." He was such a significant part of my loving and joyful childhood memories. Cabbage will never be forgotten! May God comfort and protect you & all of his loved ones and friends during this tremendous loss and difficult time. Cousin Betty Jean and family, My heart is truly heavy knowing one of my favorite cousins has left this world. Having not been around him most of my adult life, it was so good to see hm when I visited Mom in Fayette. I will miss his jokes, his teasing, his voice and his laughter. It lightens my sorrow, however, to know he is not experiencing any more pain. Rest in Peace my wonderful cousin Cabbage. Nat.

To the family of Donald Gene (Cabbage) Harris I am so sorry for your loss. Cabbage is what I called him. I will always think of him as one of my nephews. Every time I saw him he would smile that Cabbage smile and say " Hi Auntie Faye", followed by a sincere caring hug and kiss. I will miss that. But when I see him in the New World I will greet him with a hug and a kiss. Jehovah God does not put more on us than we can bear. Sometimes I wonder if he has the right address but then it all works out. You will soon realize that you too can bear this. In the mean time Jehovah will take care of you. Take care

Dear Ms Betty Jean, Tammy and Family, We are really hurt to hear of "Cabbages passing. We were just talking happy thought of him a few weeks ago. Mostly of how he liked to ride our little boys around in his old 1940's gansta looking car he names "Bogart". We know only too well his battle and know his courage and faith helped him to crossover with perfect peace. May the Power of Love be with you all.

To the family of Donald Gene, my thoughts and prayers are with each of you. If there were last words that I could have shared with Donald Gene prior to his transition, it would be: You're loved...more than you know, more than you could have seen. Deeper than you've dared to dream. All that you may have feared that might hold you back, has been wiped away, forgotten, cover by grace. The One who created you, knows you, calls you His own, looks at you with love and says, "You're mine forever." Your heart has a home and it's not a place...but a Person who will never let you go.....you are loved, more than you know!"Thought the mountains be shaken and the hills be removed, yet my unfailing love for you will not be shaken, nor my covenant of peace be removed." Isaiah 54:10May you rest in perfect peace cuz....Respectfully, Carolyn Gross-Waits & family, Phoenix, Arizona
