Our thoughts and prayers go out to your family during this time of grieving and loss. My family and I met John Wayne approximately 5 or 6 years ago. Never met a kinder or more hardworking man. We recently had a sudden and sad death in our family and he was one of the first to come and offer condolences and offer to help us in any way. He was a good friend. A great man. And he will be missed by so many. May God bless you all

Looking at the obit. I believe this is John Wayne from Fordland MO. I still cry for this loss of a very good man. This tragedy NEVER should have happened and I believe the that justice should still be done. What happened was WRONG! To the family, I would love to meet you and be able to write you and tell you how we feel. He was a good family friend of ours. He made plans to go the next day to the lake and jet ski...

There are no words that could possibly explain the pain and sorrow that my family and I are going through. Although none could come close to the pain you as his family are enduring. I have known John Wane for almost five years and never met a kinder soul, honest hard working and forth coming. Living in a town that does not easily accept outsiders we had alot in common. This is truely a tragedy and not one that we will forget. I demand JUSTICE and his name to be clear. John Wayne will surely be missed. may your hearts be filled in knowing that he is in heaven and noone will ever be able to take his place in the hearts of those he truely touched. May GOD bless each and everyone of his family members. I am so very sorry for your loss, we loved him very much!!
