To Montie's family, I was so sorry to hear about him dying. Montie was a classmate of mind. He was such a kind and gentle person, always the same, always spoke he would say "how are you doing Mary Petty" Montie has a hope for the future like so many others. Jesus Christ said at Jo. 5:28,29 "Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life, those who practiced, vile things to a resurrection of judgment."Montie will be among those who will hear Jesus voice and come out of the memorial tomb. We will see them again. It is such a wonderful promise from our heavenly father Jehovah God.

He was a good friend all through elementary and junior high and I regret not staying in touch with him as we aged. I'll be thinking of you Montie and all of the good times we had together. May you rest in peace.Jack

Leona and Sissy Accept my family's condolences (Throwers: Diahann, Jackie, Deborah, Butch, Michael, Sterling and Stephen) It is a "pleasure" to know that Montie's life, quiet nature, and sincerity must have helped him write his obituary every day of his life. Through all other's comments we've said the same. Praise God. I truly want the Holy Spirit to comfort both of you during this time as He said He would. For every minute of sadness, call HIM.

I am so sad to learn of Montie's passing. I have such great memories of Montie as such a good friend as we went through school together. I haven't seen him much in recent years but we would occasionally cross paths at Moser's. He always had a big smile and kind words, just as he did when we were classmates. I will keep him and his family in my thoughts and prayers. Clint Darr

My deepest sympathy to the Sanders & Ralph family, Monte was such a joy to know, he was a people person always asking how are you and your family doing. The last visit I had with Monte was on the city bus coming from the Columbia Mall, he was so happy to have found a job at the I-Hop, it may have not been a 3 piece suit job, but it was honest work. Well done Monte, God loves you and the community also. Rest in peace, Essie West Redmon

Montie was a dear friend growing up. After high school, I lost touch, but very little time goes by that my mom and I don't discuss the elementary school days. Whenever we had a field trip, Montie always wanted to go in my mom's group if she was helping that day. He trusted her, and we never really knew why. Many of you might know her. She was Dr. Charles Kohler's right hand for many, many years in the 60's and 70's. She loved Montie too. From year to year Montie and I flipped flop having the biggest kid in our grade title! Rest well! You were loved.
