To TonyTuckers' family and ( Mrs. Anna Lee Freelon-Tucker) I would like to send my condolence from my family to your family. From Ella Nevels-Blackwell a family friend from Trinity street. (smile) When you lost a love one The act of creating a memorial for one who has passed away is an act of spirituality. A memorial tells the world that this person may be gone but his or her spirit lives on. A memorial makes a statement that this individual will forever be tied together in the circle of life. A memorial is a statement that this person's life mattered and continues to matter. The acts of goodness and courage will never be forgotten. A memorial is a way to remember a loved one forever.
