To my family...There's nothing I can say right now to make things better, but I also know that having someone to talk to at times like this is really important, so don't hesitate to call me whenever you need. (And yes I am still a cry baby but a good listener) Grief is the price of love . We love deeply therefore we grieve the same way. We never know the true value of A MOMENT until it becomes a memory.... Thanks auntie for the memories as a little girl spending time at your house, as a young woman assisting me with my son, as a middle age woman talking on the phone and appreciating our family. Love you my dear aunttill we meet again.

Verlee, you are and will always be one of my best memories, and experiences at Westminster, Fulton and the SAE House! Having breakfast in the fraternity house each morning with you was the best way to start my day. Watching your children grow-up, getting to know your family was so very enjoyable. Staying in touch with you, seeing and being with you has been an important part of my life. Dennis, to you and your family, know how sorry I am for your loss. Also know your Mother was a very special and wonderful lady, who will always be in my mind and heart! With great sadness and love, David G. SPIELMAN

Henderson siblings, we are saddened to hear of your sudden loss. Our hearts are with you in this time of sorrow. Ms. Verlee was a wonderful woman, always joking, knew more about Sports than most men. She was a great cook and always giving to her family. She also loved joking around and laughing. I feel sad that I didn't make her 80th Birthday Party, I heard she loved it very much. Verlee, you will sorely missed, but never forgotten. May you Rest in Peace.
