We were neighbors of the Butler's when we first moved (1996) to Clay Street in Marshall. Mrs Butler was the first person to come to my door to welcome us to the neighborhood. My boys were friends with Matthew and Michael. We have missed all of the Butler's as they have left our street for one reason or another. There is something kind of comfortable in knowing who your neighbors are even if you do t see or talk to them every day you always know where you could find them.We send our thoughts and prayers to the family. Matthew wish we could give you a big hug hope you are doing well. Take care .Mike and Dianne Gilmore
