To the family most of you know me Phyllis was my best friend. And I loved her so much. We met in 1969 at Western Electric. We have shared a lot things over the years. Then Phyllis wanted to go to Beauty School. So we went and after that we worked in her shop together. She made a good career of it. And Phyllis could do some hair and loved by all. Until she got sick. I will miss her the most and all the crazy things we use to do. She was a strong black woman and will be greatly missed.

My family sends sincere condolences to the Martin family and all the friends and family if those who will miss this beautiful, woman of God. Phyllis was more than a friend to me and my daughter, Asia. She was a sister to me and godmother to Asia. There was nothing she wouldn't do for us. God was truly in her and she lived the life she talked about. We will miss her so. So glad she was in our life. Sincerely Yours, Evang. Velma Scott (Bam) and Asia Lacey (Chap)

My grandmother would take my cousins & I to Columbia almost every weekend to show up "the country side". She wanted us to know her hometown just as much as she did. It's so many memories and life lessons she taught me, I'm just grateful that she was my grandmother.

Phyllis taught me so much about life. There is so much to say about this gentle woman. I was a child when I met her. I spent many of my teenage days sitting in her salon, Styles by Miles. Phyllis was in the room when I gave birth to my daughter. She was such a beautiful person. A true woman of God.

i remember when Big Babe and Chump change played 3 days at Blues Alley on 39th and Jackson with the Exact Change Band and R.L. Griffin from Dallas. Phyll live off 63rd around the corner from Penner's. She insisted that Chump Change band stay at her house. We spent the whole Thanksgiving weekend with her. She served up a full course thanksgiving dinner with all the trimmings: including Turkey , chiterlings , BbQ, etc. Our Trumpet player, Steve Anderson had never eaten chitterlings before. He loved them and was gobbling them up until Babe told him what they were made of. We had a lot of laughs that weekend. Thanks for the memories Phyll, Much love to all the Family.
