We met at job corps. She was an amazing friend and she was always dependable. I remember she used to ask me to come outside and sing with her, her voice was so beautiful. There were plenty of times I was depressed and she cheered me up. She was amazing at doing my eyebrows. I could always count on her when I needed someone to talk to. I miss my good friend. I'll never forget you, you'll always be in my heart. Until we meet again. I love you... R.I.H.

I go to prepare a place for you. ³ And if I go and prepare a place for you, I will come again and receive you to Myself; that where I am, there you may be also. ⁴ And where I go you know, and the way you know."⁵ Thomas said to Him, "Lord, we do not know where You are going, and how can we know the way?"⁶ Jesus said to him, "I am the way, the truth, and the life. Haven was so sweet. She was like a daughter to me. I was her RA at Job Corps. She was a favorite of mine. She always shined her dimples. She always had a way to make me laugh. She would come in the office and set with me for hours and we'd talk about everything and anything. I've always had a special place in my heart for her. Momma Snow will miss you dearly. Until we meet again. Love you. ❤️
