He was the Greatest Papa ever, I miss him so much it's so so sad to think he's gone, Every year up until 2016 he stopped getting me expensive barbies, I'm glad he stopped because I didn't deserve a papa like him, he was the best, it was so painful for me to see him that night he died I cried, I told my best friend and she comforted me though how hard it was, I miss him and I will for ever miss him, but to everyone, just remember he's not in pain anymore, he was the kindest papa ever and it's still so hard for me to take in, and yes, I am in fact Sherris grad daughter I miss my papa but he is in a better place now, and not in pain all though it's very very hard to think that he is really gone, we miss him so much, R.I.P Papa 😞
