I got to know Darrell many years ago when I first started working in a lab at the hospital and over the years as both a student and physician at Mizzou. Regardless of whatever our roles were, Darrell was always there with a smile and comment about needing to get together to play some ball. It has been many years since we last saw each other, but I will never forget your smile and friendliness! God bless you and your family.

Oh, Darrell, where do I begin? My heart aches that you're gone, for Debbie, for my brother, Derek, for LeRon, for your daughters, and your beautiful grandkids. You have been a member of my family since before I was born! You were good friends with my Mom (Say "Hi" to her and Missy 😊) when you all were in high school, and when Derek was born, I had a brother, too. You and Debbie opened your home to me and watched me when I was a kid. You didn't always take it easy on me, but you always cared about "Kathy's Boy." I'm going to miss your heartfelt Facebook Messages, your laugh (I LOVED your laugh), your generosity, your heart that was as big as you, 🤗 and how AWESOME of a father, grandfather, husband, and man you were. You were always larger than life to me, and you are going to be missed SO MUCH! I love you, and Rest in Power, Hawkeye! ♥
