Elder Jerry "Flash": The Munch Box, my niece Ginny Mae and I had a conversation on January 7th! He called to tell us he was going to prepare meat loaf and greens for my niece, Julianna's Memorial Service and he would help serve, he was always willing to help others. Flash was a Family Friend, excellent cook, and always ready to assist when called upon. We are deeply sadden and will miss Flash, with his warm warm heart, beautiful smile and those stories. RIP Our Friend, we LOVE YOU and we will truly miss you. The Vaughn, Lue, Cave, Anthony families.

Jerry and I had a very close bond with one another. We had a business bond but most importantly we had a family (cousin) bond. We had many fun times through the years, and we had a good time reminiscing about the times we had together and some of the crazy things we did. Lord knows I will miss talking and fussing with him, because that was just the way we carried on and got along!! We often discussed when this day would come, and we made some commitments to one another. One was that I would sing at his funeral if he went before me, but sorry cousin I can't do that because you knew I couldn't carry a tune!! I will love and miss you but I know you are in a better place and no longer suffering. Rest Well My Dear Cousin, We will meet again someday!! ❤️❤️ Tam
