My deepest sympathies during your time of loss, my thoughts/prayers are with you and your family during this difficult time. I worked with Teresa at MBS Textbooks for close to 4 years, she was so beautiful, always "dressed to the nines" as I told her, I said I don't think you ever wear the same clothes twice! I don't think she had a mean bone in her body, very loving and I know she loved her family so much, she will be missed!
