I don't keep a lot of personal photographs or momentos, but one that I have kept for 55 years is a yellowing newspaper clipping of Odon, flashing his patented smile, being carried off the football field by jubilant Kewpie fans. Howard Logan and I went to Ridgeway until I moved away after 4th grade. Caught up with him in 10 grade. Everyone was talking about this great football player named Odon Logan, he was pointed out to me and I argued with everyone that that was Howard Logan. Got a chance to talk to him one day and asked him about it and he said he was using his middle name now. I must admit that Odon is a great name for a Kewpie Footballer. We will miss you my Friend and that great smile that lit up the room.

I went to Ridgeway with a Howard Logan. Then after 4th grade we moved to another school district. Didn't catch up with him again until 10th grade, where everyone was extolling the prowess of a certain Football player named Odon Logan. Of course I recognized him as my old friend Howard, well I argued with everyone who called him Odon, that his name was Howard. One day I got a chance to talk to him for at bit and asked him about that, and he told me that he was now Odon. The name change to his middle name was a great name for an outstanding Kewpie Footballer. And what a great smile. We'll miss you my Friend.

TRIBUTE TO ODON LOGAN ---- I was a Hickman senior in the 1964 Kewpie football season, and the doggone Jeff City Jays beat us 40-0 for our only loss of the season. But so many took heart in this fantastic sophomore Mr. Odon Logan who we all felt would have it in him to beat the Jays and break their undefeated string. And he most certainly did that !!! And we all loved the guy for that. But really more than that. He seemed to have such a good time out of life.....that fantastic smile.....his upbeat attitude.....his kindness and decency to everyone, everywhere, all the time. I remember those things. He will always be a favorite person of mine. I send love and condolences to Odon's family and other loved ones at this extremely sad and difficult time. God bless you all. Sent with love and respect for Mr. Odon Logan. John Kurtz DHHHS 1965
