II Corinthians 5:1 We know that God does not mistakes, so we thank Him for giving Queenie 47 years on earth. Queenie, We made a lot of memories Throughout our childhood days. I knew you would have my back; And you knew you could count on me. I can't even remember The first time I saw your face; But I do know within my life No one can take your place. We're there for each other, And we will be to the end. By blood we are Cousins; And by our hearts we're Friends. I Love You Queenie! Rest Well Beautiful until we meet again

It's hard to keep losing our loved ones especially at young age. Queenie would write me every other day and compliment me all the time. Always had something nice to say. When I first found out she had a stroke years ago I was so shocked. So we always kept in touch. Queenie got 7 different pages and I didn't know which one was real lol! I loved my cousin dearly and I know she is wrapped in his arms..safe. 🤍🤍🤍
