My deepest sympathy to the Connor family. Larry and I shared a friendship over 40 plus years. I remember Larry as a gentle giant who was very caring and kind. We spent many hours working together on projects. Larry was very serious and particular in his work, however at the same time we would be talking, joking and laughing. Larry was very talented and could handle almost any type of job at hand. We enjoyed many meals at my parents home and numerous restaurants. After the meal we would often sit and visit for several hours about work, sporting events and everyday life. Larry found humor in many everyday life events. I seen him many times bend over and fall out of a chair as he would be laughing so hard. Larry was a good and decent man. This part of my life is gone and I will miss Larry very much.

The tributes mentioning Larry smiling and laughing brought to mind a Halloween night many years ago when he conspired with me to play a "trick-or-treat" joke on his family in Rocheport (Lois, Laura and Lily, you might remember). I won't go into detail, but I'll say that the end result of the joke was everybody laughing hard, but no one harder than Larry! He was doubled over and almost on the floor! Yes, he liked to laugh! RIP.

I Thought Of You With Love Today

I thought of you with love today but that is nothing new
I thought about you yesterday and days before that too,
I think of you in silence often speak your name
All I have are memories and your picture in a frame.
Your memory is my keepsake with which I'll never part
God has you in His keeping
I have you in my heart.
Love you Uncle Larry - Your niece Kc
