Sending my deepest condolences to Damon, and all of Mark's family. Such a sad loss for all of us. We were practically raised together, between Mexico & Fulton. Our families were like one coming up; the Lees of Fulton & Fishers of Mexico. We had so many fun & wild times! So many great memories shared between our families. We will miss everything about you "Chan the Man"! May Allah be pleased with you, and may he wipe all of our sins away! Regina Rummans (Ahkiana Khadija)

When raising three young kids by myself and having car troubles Mark never let me down. He always made sure that my cars stayed running sometimes back then I could offer no pay for him. And he would tell me to get the part and just give him something if I have extra later. His smile and his heart were the realist. I thank GOD that he made our paths cross back then I was able to keep my job and get back and forth to the store and work . And I made a great friend . You will be missed Mark. See you on the other side.
