I love you, Arieana! This life is not fair but you are no longer suffering. If love could have saved you, you'd be with us forever. Thank you for accepting me and being my friend through all those years. This is finally starting to set in with me.. it's real. You're gone and not coming back. I don't think anything has ever hurt this much, man. Watch over your family.. they need your comfort right now. We will never forget you. ❤️
