Aaron Dow

MAR 26, 1977 - APR 8, 2023

Aaron (AD) Keith Dow, 46, passed away April 08, 2023. He was born March 26, 1977, in Boonville, MO, the son of Paul and Cecelia Dow. Services will be held on Saturday, April 22, 2023, at 1:00 PM at H.T. May and Son Funeral Home in Boonville, MO. Visitation will be held from 12:00 PM to 1:00 PM at the funeral home. Services will be live streamed at 1:00 PM through the HT May & Son Funeral Home Facebook page and can be found at <https://www.facebook.com/htmayfuneralhome>.

Aaron grew up in Boonville, MO where he attended the Boonville Public Schools, and he attended Hickman High School; he was a star player on the varsity track team.

One of Aaron's most recent accomplishments was getting certifications in the field of construction. Aaron loved tinkering, he could fix or rig anything on a house or car.

He was a beautiful person and it showed in his spirit. Aaron loved people, his family, brothers and especially his two sons with whom he cherished, watched over and enjoyed spending time. He loved that Plais enjoyed working construction, which was his passion!

Aaron's love ran deep for his longtime friend; Amber Staehle and her two children; JzyeShawn and Jasmine Staehle. He talked about them often and he remained in their lives all throughout good and tough times.

He leaves to continue his life through a host of family who truly love him: his children; two sons: Plais Kevon Dow, Ray Luce-Dow both of Columbia, Mo; his father Paul Hillard Dow of Columbia, MO; his siblings Paul (PD) Dwight Dow of Mesa, AR, and Kelvon William Dow of Columbia, MO; nephews Chris Dow and Elijah Dow; and a niece Raechell Carpenter; his maternal grandmother, Mayme Williams, a host of family including Uncles, Aunts, Cousins, and an abundance of friends.

A.D. my sweet friend you are greatly missed already and will continue to be so until we meet again! You have shown me kindness, respect, truth and love! You always looked out for me as you were in the creek bed where I found those rocks! Just recently I had a moment where I wanted to throw in the towel! The first thing you said to me is analyze the reason behind my thoughts! Second was if you make this choice then where is the love you have for your man? Does he know how your feeling? Have you expressed this to him? You possibly saved me life that night! I love you Aaron always will! Your enlightenment will never be match!

A.D. what a bright light! Your spirit has always been free and easy. God could not make a more beautiful soul. Your million dollar smile was infectious, right along with your laugh. Your smile would make the darkest days possible. You were charismatic and graceful. Most importantly your intellect as well as your insight made most drawn to you. You were a friend among friends and how honored I was to be considered your friend. Thank you for your wit, thank you for the laughs, thank you for your love, and most importantly... thank you for the life you poured into so many by just being you. You most certainly were one of a kind. May you rest east and fly high. You gave me the greatest advice and shared with me your admiration of Big Mellow... "I can't be bothered." Love you A.D. and May your beautiful soul find rest! Until we meet again friend ❤️

I am so sorry for your family's loss. I was fortunate enough to teach both Aaron and Paul at Hickman High School, and they each raised their classes to a higher level with their enthusiasm and insights, to the extent that I was sad to see them walk out of the door on the last day of school. Aaron was unafraid to ask critical questions in class, demonstrated a very sophisticated and dry sense of humor, supported other classmates, and was, like his brother, an A student in English. I know he had his struggles, but so do we all, in our own way. The world's a lesser place with Aaron gone. My heart is with Aaron's family and friends, and I hope to carry his memory with me to keep him alive in spirit.
