Unreal this last year! The timing of her passing right after Jr and the irony of our kids grieving all at same time was something only Spiritual understanding could explain ian it aided kids to know of both their crossing together in support of the life long journey on the rough side of life but to take the path they had been given but took the deaf comedy jam tour their personalities were blessings Bonbon

Hi Tee Tee, it's YaYa. (For those of you who don't know, Tee Tee is what I've always called my aunt Rachel. Dentalize your T, make it sound like Dee Dee) so funny we would always say "you need to dentalize your dees!" Anyways, Tee Tee, this breaks my heart knowing you're gone. I have so so many memories of you and I am grateful for that. I remember when I started growing hair on my legs and me being too nervous to shave, you shaved them for me while teaching me how. Rides to the beach, me, you, Tiana, Tea, and Marena while blasting music. Your laugh...I can hear it. I love you and I'll miss you. Give hugs to Grandma for me and I hope you visit me in my dream. I love you and I'll keep you forever in my heart. Love, Yaya.

Wow sis it was only last Saturday we were texting & cracking up on the phone . Oh how I'm gonna miss you so much . I practically raised you as one of mine . Always by my side since you were a baby . You passing took a part of me with you . At the same time I have so many memories to cherish. I got to meet your grand babies & take them for a ride in my truck . They loved it as much as I did . Very beautiful babies. Watch over them & the girls as I will do the same sis . I hope to see you in my dreams. I bet mom , Renee & your dad were waiting for you with open arms . I LOVE YOU SO VERY MUCH RACHEL & will see you again one day . Let them know on the other side I love & miss them . Can't believe you're gone . Your oldest sister always Yvonne meza
