Jonathan Adam Box

DEC 30, 1987 - AUG 29, 2024

Jonathan Adam Box, age 36, died on Thursday, August 29th 2024 in Bowling Green, Missouri. Jonathan was preceded in death by his mother, Tammy Hoskins; his stepfather, Charles Musgrave; his sister, Sophia Musgrave; and his brother, Aaron Box. He is survived by his father, Steven Box; his fiancée, Karissa Kaye; his nephew, Korben Box; his niece, Evelyn Box; his stepbrother, Spencer Musgrave; his cousin, Joshua Hoskins; and many more in his extended family.

Jonathan was a man larger than life, who could walk through a door and change the energy of the whole room. His charming smile and laughter brought joy to others, as did his boyish playfulness. He knew how to have fun in the toughest circumstances. He adored music, art, reading, and above all, sharing with others about the Lord and Savior, Jesus Christ. Despite inconceivable difficulties growing up, Jonathan grew into a man everyone could admire, and countless people do. He was generous, honest, and genuine. He always had the energy to help others and was both self-assured and humble. The way Jonathan loved was his biggest gift to those who knew him, unwaveringly loyal and present. Nothing stood in the way of him doing for those he loved.

Memorial services for Jonathan will be held on Saturday, September 28th, 2024, at 1:00pm. To honor Jonathan, feel free to wear red & green as it was his favorite color combination. Service details are below:

Jon was there for me in the middle school times. I'm blessed to have those memories with such a great best friend from that time. He helped me with my father's passing. Jon I'm pressing on the Missouri Department of Corrections on not insurancing your release. May you find ways from the afterlife to help protect the late night kids out in the world even with them taxes & cowboys. U know wat I sain. NE love for the pitchforks!

Angelica Clifton lit a candle in honor of Jonathan.

Oh Jonathan, you will always hold a special place in my heart. The sacrifices that you made taught me many lessons in life that I still hold with me today. I'm grateful for those lessons, and the time that we had together. Lindsay will be so happy to see you, please hug her and Anthony tight for me. And please watch over us with them. Always and forever, Angelica

Jonathan was a friend of mine. He had a good heart and would go the distance to help someone in need. He may have made some mistakes, but we all have. I wrote a story about John a few years back. Our photo was in the VVA Veteran Magazine. Since that story has direct quotes from him, I will be sharing it soon. S. Pernice
