Unc, I really enjoyed myself at your "HomeGoing Celebration." No show out, but you had family and friends that showed up. You had some great speakers. They really let us know about "Stink"; had the people laughing. Overall, I believe you would've been happy to hear what your son had to say about you. I know he's gonna miss you alot. He got emotional, but he got through it. Barb, she just made me laugh. She spoke well of you and truly, I could feel the innermost lost of her kid's father and the friendship you two had over the years. Lastly, you know your niece just couldn't go without that we shared "Nov 23rd" together "our" birthday, as well as how you would always say my and Kim's name. Guess what? I actually wore one of your hats because it made me feel good about you. Before I close, I know you gotta know Billy and Hecky talked well about you. Overall, I believe you would've been smiling, laughing, and yes tearing; because I did. That's how peaceful your "Celebration" was. This I will remember most.Love U Unc. Faith
