She was a favorite of mine at Special Olympics events. She always had a smile and never gave up, even after her body started to limit what she could do! Prayers for her soul! Diane Brimer

Ariana Moore lit a candle in honor of Linda.

I'll never forget how Linda's smile and humor could light up a space. She was a truly strong-willed woman. Now every time I see Linda's favorite characters Minnie and Mickey Mouse, I think of her. Wishing her peace now, and grateful for everything SSL was able to do for Linda.

Linda always had a way of making me smile. After each visit, she would ask if I was heading out on a 'hot date,' and over the years as her case manager, she never stopped checking in about when I might have my next baby or my next date. She loved sharing the latest drama in her life, and her humor and stories will always be remembered.
