One time sara and I were in springfield. She drove us around in her first car and we listened to the miley cirus cd. You asked to listen to the butterfly song 🦋 It was so sweet, I always think of you when I hear it. I love you and I am grateful for the time we had.

My little Minnow. I remember waiting for the day you would be born. My sisters and I were so excited! There was going to be a new baby and we were going to get to help. We loved you from the moment we met you. Thank you for all the beautiful moments we shared. ☐
