loved spending quality time with his family, especially his children, grandchildren and nieces.

Comments

“ I remember him washing my hair when my mom was to busy. He always got me my favorite candy bar a Whatchamacallit bar. I loved him dearly and I was too young to understand what was happening. I try not to cry because I know he is watching over me and even though he is not here he has a big portion of my heart. I hope you are proud of me papa. I miss you and I wish you were here to see me now.

“ To Donna Green and family. Donna I'm so sorry for the loss of your son. I have a son too, he is 23 yrs. old. I can't imagine losing him in death. We mothers have a special bond with our children. I am Mary [Petty] Hickem, we are classmates. Donna death is our enemy for now and this is why it is. At I Corinthians 15:21,22 it says this, “For since death is through a man, resurrection of the dead is also through a man. For just as in Adam all are dying, so also in the Christ all will be made alive.” Donna and family because of our first father Adam, we die. But because of Jesus Christ mankind is able to live forever here on the earth. Death will be a thing of the past for you and your family. You will be able to see your son again, Donna at John 5:28,29 it says this “Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come in , those who did good things to a resurrection of life, those who practiced vile things to a resurrection of judgment.” So you will see Darron again soon. Donna I do hope that these words of comfort help you and your family during this time. You take care and may Jehovah God continue to be you and your family.
I Love You!
