May 26, 1953 - March 4, 2020

Delores Irene Glover Warfield, 66, of Killeen, TX, formerly of Fulton, MO, entered into eternity on March 4, 2020 at Advent Health Center Texas. She was born May 26, 1953 to the late Nelson and Ollie Mae Glover. She was preceded in death by her son, Michael Glover who passed shortly after birth. She was united in marriage to Michael Warfield who preceded her in death.

Delores had a bigger than life personality, that drew people to her and she never met a stranger. She had a loving and caring nature and was always willing to help those in need. She enjoyed conversing with others and her smile and laughter was known and loved by those whose lives she touched. She will be remembered by her great cooking skills and her recipes will be cherished by her friends and family in the years to come. She passed on her love of cooking to her children. These skills she inherited from the women in her family. She was a fan of cooking shows and the QVC channel. She loved traveling to area church functions. Making people happy and receiving appreciation for her acts of kindness brought her great joy. She was an avid Kansas City Chiefs fan.
