“ You were always such a pain in my ass and I'd not have it any other way, 300% one of a kind and the kind of person you could never forget. I'm eternally grateful for the time and memories and bad decisions we all made together - so glad you're no longer in pain Dev, love you always.

“ I’ll never forget your sweet smile, or your sassy comebacks. Thank you for teaching me how to be more patient, to not judge a book by its cover and to always remember that everyone deserves to be loved I’ll miss you, but I know we will meet again and you’ll run straight too me to give me a big Devin hug. Kurt and I will watch over your mom for you. You were the bravest boy I’ve ever met Rest In Peace Devin, I love you
