“ My husband Neil McNeill from Ohio, was a Navy buddy of Hugh's. We tracked him down 3-4 years ago by googling. We talked with him on Face Time several times but had not heard from him in sometime. We knew his wife had passed away and that he was in a nursing home. We were thinking of him so I decided to check on him. We are very sorry to learn that he passed away. Neil was very fond of him and they shared many Navy memories.
