“ I was always impressed with Nancy from the first time I met my cousin “ Darrell’s girlfriend”. She was a beautiful young girl and a classy beautiful woman. She had a giving, caring heart. I will always especially remember how she helped my friend and I serve the family who came to my house after my dad passed away (moved to heaven). I was somewhat befuddled and unorganized. She was compassionate and stepped right up to organizing and serving everyone. Thank you Nancy. You will always be in my memories. I will see you when I also move to heaven.
