My Angel

Yes it's true I do miss you through out the day and night.

Thinking of what your cooking , wearing and feeling.

How your eyes sparkle like the brightest shining stars in the heavens above.

When the sun's ray's touch your silky hair it glitter's like the raindrop's in the morning sun.

when you talk you have the voice of an angel that sing's wonderful music to my ear's.

That I can never stop listening too as I look to the stars and see the brightest star of them all I see you looking down I say hello Ruby my dear friend I still miss you so much , my heart is still full of joy , love and warmth you have given is cherished for all eternity.
