“ Haley, I had never made the connection that Teresa was your Mom. I loved her when I worked at Hallsville Schools. She was a hard worker and always had a smile on her face, a compliment to offer and never a complaint to be her while I was in her company. I am so sorry for your loss. Hugs!

“ Teresa was a lot of fun at work. She had a great laugh and always cared about people. We would work hard during the summer cleaning those dorm rooms and we would take a break and dance every now and then..RIH friend.
