“ Tracy has always been a special person in my life since the day I met her back in 1986. I was 21 and she was just 8. She always was happy and brought joy to those around her. She had a wonderful smile that could brighten the darkest room. I always called her my girlfriend and she always called me her boyfriend, something my wife (Tracy's cousin) didn't mind! Tracy, our heart is breaking for the absence of your physical presence but your spirit will always be with us and never be forgotten. You will always be "my girlfriend"! Rest In Peace sweet girl. Your suffering on this earth is finished, your new heavenly body will be perfect. You will wear it well and deserve the best God has to offer you. We love you and will look forward to the day we see you again, wearing your perfect body.
