“ To the family of Virginia Poole, I am sorry for your loss. It is hard to cope when a love one dies. We want them to live forever. That is what our heavenly Father Jehovah’s purpose is for us, is to live forever here on the earth, not get sick, grow old, and then die. When he created our first parents Adam and Eve they were created PERFECT, they did not have to yearn for ANYTHING, likewise, one day we will not have to YEARN for anything either. Jehovah God gave his only begotten Son Christ Jesus as a ransom sacrifice so that we have would hope. At Revelation 21:3,4 “With that I heard a loud voice from the throne say: “Look! The tent of God is with mankind, and he will reside with them, and they will be his peoples. And God himself will be with them. And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.” Your family can look forward to seeing Ms. Poole again she will have the prospect of living here on earth forever in perfect health as well as yourselves. May Jehovah continue to be with you.
